Matters arising:

Pot holes/fingerpost The fingerpost is still missing by the river. The Clerk contacted ERYC, whom said it was not on their schedule so she completed a new form to action this.

Mask Lane Highways are still to provide a quote for tarmac Mask Lane, from Sandhills westward. Clerk has e-mailed Dave Sachs @ ERYC Highways to remind him.

Where cars can park at the end of Mask Lane was discussed. The matter of the Registry of the final piece of Nanny Leyton's land was brought up and Cllr Readman said he would look into this.

Bus Shelter The Half Moon Pub Car Park Sign on the new bus shelter has still to be carried out. It has been agreed with the Pub that they will supply a free electricity point to the Bus Shelter for the purposes of providing a light over the Car Park sign and an internal light for the bus shelter. Concern was raised about the delay as the sign post would direct more of the pub visitors to the Car Park.

It was noted that the land the bus shelter now stands on has not yet been signed over to the Council. The Clerk is to contact the Builder for an update. Clerk to write to Mr Blades.
