Mark out Land on the Mask – a revised plan showing an amended boundary for the Parish land was agreed by all Councillors at previous meeting and this information has been fed back to Clubley's agent.

At some point, when all parties are in agreement, we need to get the Land Registry documents amended. Only at this point will we mark out the area.

Pathway near River ERYC advise that repair work delayed due to wet weather.

Wilberfoss Quarry No decision as yet on funding nor the planned visit to the site. Wilberfoss PC have enquired about a joint letter to ERYC but the Councillors agreed that it was best to wait until all the other conditions have been met. The Clerk chased up The Water Board to ask why they had a delay but they said they will not sign off until they are 100% happy with the submitted plans for water management.

Streetscene work to do Culverts to be put in late sept/oct – delayed so monitor that this work is done.

Updated ERYC Code of Conduct – the draft version was discussed at a previous meeting. It was proposed by Cllr Horsley and seconded by Cllr Robinson to adopt the revised version as our own policy.
