Site for memorial stone Clerk brought some documents that need completing for Highways dept. Chair signed document to indemnify ERYC against claims and confirmed that the Parish Council will take responsibility of ensuring the stone will be kept in a good state of repair. Cllr Wheeler agreed to speak to the nearby residents and ask them to sign a document (designed by Clerk) to say they did not object to the building of a plinth on this site.

Cllr Horsley produced a draft drawing (with marked measurements). The clerk will scan this and send it to Highways. The plinth will be built out of "old style" bricks, with a concrete base.

The design was approved by all Councillors.

(addition of extractor fan to their retrospective planning application)
No objections

Planning Consultation for 18/02250/PLF - Land West Of Meadow Bank Main Street
(Erection of a general purpose storage building and livestock building following removal of existing stables)

(of external lighting to existing horse riding arena) (retrospective)
